## RESPONSE TO EPA REQUEST FOR INFORMATION—HUGO NEU CORPORATION

### General Response Applicable to All Responses:

Hugo Neu Corporation (HNC) never directly owned or operated the Facility. HNC's relationship to the Facility through joint ventures or other affiliates as set forth in Simsmetal East LLC's responses to the Request for Information is adopted as HNC's responses with respect to the time period prior to October 31, 2005. Since that time, HNC has not directly or indirectly through subsidiaries or affiliates had any involvement with the ownership or operation of the Facility and has no information responsive to the Request for Information relating to the time period after October 31, 2005. In connection with Simsmetal East LLC's responses generally to the Request for Information, HNC has cooperated in making employees and documents, including insurance files, available to Simsmetal East LLC and its attorneys. Simsmetal East LLC's responses and documents provided reflect in part the information and documents made available by HNC. HNC has reviewed the responses of Simsmetal East LLC and is generally satisfied that they accurately reflect information known or available to HNC for the period prior to October 31, 2005 and are incorporated by reference as HNC's responses except that HNC is not familiar with the Phase 1 report referred to in Simsmetal East LLC's response to Section 31 "as having been prepared at the direction of counsel for the purpose of rendering legal advice...." Accordingly, HNC does not adopt the response to that Section pertaining to said report.

Since Section 1.0 of the Request for Information calls for Company Information with respect to HNC, HNC provides its response to Section 1.0 below.
